

# COMPANY PROFILE

Specialists in Conveyor and Transmission Belting, Industrial  
Hose, Instrumentation, Sealing and Valves.

# ABOUT US

Founded in 1963 and headquartered in City Deep Johannesburg, Belting Supply Services boasts a network of 10 branches across South Africa. We take pride in providing our clients with efficient service and access to a vast array of premium conveyor and transmission belting, industrial hose, instrumentation, sealing, and valves from leading international brands, catering to diverse industry verticals.

Our commitment to customer satisfaction is evident in our provision of technical support and comprehensive after-sales service.

In line with our adherence to regulatory requirements, we are BEE and ISO compliant and a proud member of the Conveyor Manufacturers Association of South Africa.

*We work closely with our suppliers, which invest heavily in research and development, ensuring that we can stay abreast of new technologies.*
